

discover the

Alpine difference

Aluminum Dripedge

Added protection against rain, snow and ice.

Cedar Trim

Standard on barnsiding buildings.

Primed Trim

Standard on all buildings except barnsiding. Decay resistant primed trim that is ready to face the outdoors.

Metal Truss Plates

provides superior strength vs. wooden gussets.

Double 2x8" top-plate

On Alpine Barnstyles—rafter is located on outer edge of 2x8" top/plate...increases wall strength and provides more loft storage.

warranty
